

## dog of the month

name: Gunner nickname: Gunner

breed: Old English Bulldog age: 2 (on August 22) gender: Male

favorite toy: Tug toy (rope) favorite activity: Swimming + playing fetch

favorite training trick: Crying/Chatting favorite destination: The Beach

favorite food/treat: Any food roll (Yum)! best friend: Cheina and Hagan

biggest accomplishment: paying attention to my parents even when there are lots of other dogs around, and learning to catch a frisbee.

describe your perfect day: i'd really love to sleep in one day (past 6am) and then eat breakfast and take a long walk on the beach. After a long nap, I'd like to play fetch in the park and then take another nap on the couch with my parents. Then I'd like to go to Doggie Defense and play with Francis, come home and go to bed!

when I grow up I want to be (career description) ... : a confident, well adjusted dog – and maybe do some training/trick competitions too!

I love my parents because ...: I get to go to work everyday with dad and he takes me to fun new places! They also take me to school at the pawstive dog and I LOVE it

I hate to admit it, but my naughtiest moment was...: when I started a fight at the dog park. I think my parents were very embarrassed.
