**when I grow up I want to be...:** A bigger dog! And the mayor of the neighborhood!

**I love my parents because ...:** they let me sleep on the bed sometimes.

**I hate to admit it, but my naughtiest moment was...:**

I used to be very naughty! I ate a bag of HOT ristra-peppers, and shredded mom's sketchbooks and portfolio; I've also dabbled in plastics engineering and destroyed the tv remote! But my shining moment, was when I climbed a 4 ft gate, broke into a bedroom and swallowed a common pin (I didn't think I was getting enough iron in my diet). Luckily, I have a super colon and was able to pass it with no harm to myself.
