

dog of the month

name: **Lily**

nickname: **stinky dog**

breed: **lab**

age: **unknown!**

gender: **female**

favorite toy: **squeaky armadillo**

favorite activity: **eating**

favorite training trick: **“find it”**

favorite destination: **70 southampton street (+ dog!)**

favorite food/treat: **nieces' leftover hamburger**

best friend: **still working on it**

biggest accomplishment: **Civilly walking across the Charles River on the Mass Ave Bridge**

describe your perfect day: **Go for a run on the river and eat lots of training treats, take 10-15 naps, play with squeaky toys, have human visitors come over for dinner so that they can fawn over me (after ignoring me for 10 minutes, of course), admire my excellent behavior, and eat only half of their food so that my parents will feed me their leftovers.**

when I go up I want to be (career description) ... : **a restaurant reviewer**

I love my parents because ... : **they feed me and put lily beds in every room of the house.**

I hate to admit it, but my naughtiest moment was... : **when I broke my mother's pinky 10 minutes after my adoption.**
